YOUTH 20 INDIA SUMMIT

Run-up to the final Y20 India Summit

District Level Programme
Udalguri District
Venue: Udalguri College, Udalguri
27 JANUARY, 2023

CONCEPT NOTE

India is part of the elite G20 nations which include countries like Argentina, Australia, Brazil, Canada, China, France, Germany, Indonesia, Italy, South Korea, Japan, Mexico, Russia, Saudi Arabia, South Africa, Turkey, the United Kingdom, the USA and the European Union. The G20 group of nations represent around 85% of the global GDP, over 75% of global trade and about two-third of the population of the world.

India has been honoured with the Presidency of the G20 from 1st December 2022 to 30th November 2023 and as part of being a presiding nation, is all set to host the Youth 20 summit for the first time. As part of the programme, it has planned to provide a common platform to young leaders from across the globe to present their ideas for a better world and to put those words into action. The voices of youths would certainly be adhered to in the 18th G20 Heads of State and Government Summit which is to take place from the 9th to 10th of September 2023 in New Delhi.

In Youth 20 Engagement Group India's vital focus is to stress on global youth leadership and partnership as youths are the force for change. The Y20 India Summit in 2023 would demonstrate India's youth-centric exertions and provide an opportunity to showcase its values and policies so that India's leadership of this summit can stand out among the youth cohort.

Run-up to the final Y20 India Summit

The themes selected for the summit will showcase Indian leadership on these issues to both global and domestic audiences and help fulfil India's vision of making the G20 summit truly participative in nature. Themes of Y20 India are:

- a) Future of Work: Industry 4.0, Innovation & 21st Century skills,
- b) Climate Change and Disaster Risk Reduction: Making Sustainability a way of life,
- c) Peace building and Reconciliation: Ushering in an era of No War,
- d) Shared Future: Youth in Democracy and Governance
- e) Health, Well-being & Sports: Agenda for Youth.

Keeping in tune with the run up to the final Youth-20 Summit, there would be discussions and debates, paper presentations, quiz etc where Gen Z would participate and present their ideas. This would indeed be a recognition of the undeniable fact that they are the trustees of the future and their ideas matter.

The Programme hosted by Udalguri College, Udalguri on the 27th of January 2023 which would be a meeting point for youth leaders of Udalguri district to present their ideas, is related to the up-coming first meeting of Y20 group of youths to be held from 6th to 8th of Feb 2023 at Guwahati .
