

**ACTION TAKEN REPORT OF THE GRIEVANCES REDRESSAL CELL,  
UDALGURI COLLEGE**

**SESSION 2018-19**

The following report pertain to the actions which have been carried out in relation to the grievances received and the redressal of the grievances. At the outset the Grievance Redressal Cell is pleased to note that Incidents of ragging and sexual harassment have not occurred in the College.

i. Like-wise, the procedure of entry in the College has become strict with only those having valid IDs being allowed to enter in the Campus, thereby restricting the entry of any anti-social elements in the campus.

ii. The incident of the skirmish between a student of TDC I<sup>st</sup> semester & TDC III<sup>rd</sup> semester have been solved amicably with the students involved being apologetic about their behaviour and as per their request not to record their names, their names have not been recorded for further actions.

iii. The two CCTV cameras which have been lying in a non-functional state in the front part of the campus have been replaced by the office of the Principal as asked for.

iv. Earth filling and levelling of the playground to improve the quality of the playground has been carried out by the authority.

v. Spacious laboratory for Zoology and Chemistry as sought for by the students have been provided. vii. Basketball ground in the College campus has been added to augment the outdoor games available in the College.

vi. Pruning of branches of trees so that incidents of injuries or of snakes hiding beneath the dried leaves do not occur have been carried out.
