

**ACTION TAKEN REPORT OF THE GRIEVANCES REDRESSAL CELL,
UDALGURI COLLEGE**

SESSION 2019-20

Actions which have been taken with regards to the nature of grievances received are laid down below for the session 2019-20. Initially the Grievance Redressal Cell congratulates the stake holders since no incident of ragging or sexual harassment have been reported during the session.

- i. The College authority carried out the repair works of electrical fans in the class room, the library reading room & wherever necessary inside the College campus as had been sought for by the Grievance Redressal Cell.
- ii. Similarly 13 pairs of desks and benches which have been found to be in need of immediate repair have been repaired and additional desks and benches have been added to accommodate the needs of the students.
- iii. Steps have been initiated to park cars, bi-cycle and bikes in a disciplined manner and also to increase the security in the bicycle stand so that incidents of theft do not occur through the engagement of a sentry in the College gate and the installation of CCTVs in sensitive spots.
- iv. The problem of leakage of water in the corridors and verandas of Assam Type buildings during the monsoon season has been addressed by the authority by initiating repair works in those locations.
- v. The maintenance of cleanliness and hygiene in the College campus has been adhered to which shall go a long way in warding off possible endemic diseases.
- vi. Drinking water facility provided to students is yet to be upgraded.
