

## Activity Report

Session: June, 2022- May, 2023

Name of Event: Departmental Seminar on 'Dynamics of Human-Elephant Conflict in Udalguri District' by Zoology Department

Date: 04/11/2023 and 05/11/2023

Location: Udalguri College, Udalguri

Objective: The objective of the seminar on "Dynamics of Human-Elephant Conflict in Udalguri District" by the Zoology Department is to analyze and understand the complex interplay of ecological, social, and anthropogenic factors contributing to human-elephant conflicts in the region, aiming to propose effective mitigation strategies for promoting coexistence and reducing conflict incidences.

No of Student Participants: 41

Outcome: By the end of the seminar, participants will be able to:

1. Identify the ecological and behavioral factors influencing human-elephant interactions in Udalguri District.
2. Analyze the socio-economic impacts of human-elephant conflicts on local communities and wildlife populations.
3. Evaluate the effectiveness of current conflict mitigation measures and management strategies in the region.
4. Explore innovative approaches, such as habitat management, early warning systems, and community-based initiatives, for minimizing conflict occurrences.
5. Understand the importance of interdisciplinary collaboration involving wildlife biologists, social scientists, policymakers, and local communities in addressing human-elephant conflicts sustainably.
6. Develop comprehensive action plans and recommendations for enhancing coexistence between humans and elephants while ensuring the conservation of both species and their habitats in Udalguri District.
