

**Activity Report**  
**Session June 2019- May 2020**

**Name of Event: Workshop on women Empowerment**

**Date: 29-06- 2019**

**Location: Udalguri College**

**Objective:** Women constitute half of the world population. As far as their social status is concerned, women are not treated as equal to men. There can be no sustainable development without giving equal status to both the sexes. The Constitution of India provides equal rights to men and women. Equality of women means women should be given equal opportunity as men regarding health care, education, work participation and above all decision-making process of the country.

**No of Student Participants: 50**

**No of Teacher Participants: 06**

**Outcome:** Empowerment of women involves building of self confidence in terms of social and personal transformation. It aims at making women self-reliant so that they feel secure and are in a position to take their own decisions. Education is one of the most important means of empowering women with the knowledge, skills and self confidence necessary to participate fully in the development process.
