INNOVATION & INCUBATION CENTRE Udalguri College, Udalguri

Introduction:

Udalguri College, established in 1979 has been offering higher education in humanities and science among the students of Udalguri and nearby places. The Innovation & Incubation Centre of Udalguri College aims to launch start-ups by aspiring students and stakeholders through pre-incubation support, mentoring and infrastructural support in various thrust areas. The activities also involve coordination with various support agencies. It promotes innovative and executable ideas from various fields including agriculture, industry, handloom, sericulture, pisciculture, piggery, tourism, mushroom cultivation, vermicompost etc. It helps students, research scholars, faculty members, young minds and aspiring individuals of Udalguri to execute the ideas into products, processes, or services for the benefit of society and industry. Entrepreneurship forms the backbone of the nation's economy and to strengthen the entrepreneurship ecosystem, Udalguri College is working on the ideology of starting own ventures amongst Udalguri's youth. Today's youth need to be more inclined towards creating jobs rather than getting one. Therefore, to assist the youth to become self-employed and create employment opportunities, the college has provided support in every possible manner. Therefore, for this purpose, a full-incubation Cell was set up in Udalguri College on 2nd of March, 2023.
