Message from the Principal

Dr. Rajendra Kumar Basumatary, Ph.D.
Principal (i/c)

Udalguri College situated on the southern outskirts of Udalguri town, is the only provincialized institution for pursuing Higher education in the Degree level in the district head- quarter of Udalguri. Along with Degree courses in Arts and Science it also caters to the students Higher Secondary Course in Arts and Science. It was established by a few conscious citizens, who felt the need of such an institution in a backward area (taking into consideration the year of establishment 20th of August 1979). Having started its journey with less than 42 students at the Pre-University level, today it harbors the educational dreams of around 2931 students at the P.G., U.G. and H.S levels. It also offers master degree programme (correspondence mode) through KKHSOU and IGNOU. With the current position of sanctioned teachers being 31, it is indeed a herculean task to give quality education to the students. Of course, in this regard, besides the sanctioned teachers, the tireless zeal of non- sanctioned and contractual teachers too is laudable. It is the ceaseless efforts of teachers, the non- teaching staff and well-wishers that enables the college to steadily keep climbing the ladder of success. It has been striving to offer an environment conducive to the aim with which the students get admitted in the College. So far, a number of students enrolled in Udalguri College have achieved rankings at the University level. The result of Higher Secondary science is worth mentioning. Besides the academic curriculum, it also provides the platform and encourages budding talents to showcase their talents in extracurricular activities. Several students enrolled in Udalguri College have excelled in different sports at the national and international levels. We are committed to enhance the academic and extra- curricular potentialities of our students.

I do hope that Udalguri College achieves new milestones in the near future.

1. ABOUT THE COLLEGE

Udalguri College came into existence on the 20th August 1979, as a result of the ceaseless and untiring efforts of the preparatory committee under the leadership of the founder Principal Late Sailendra Nath Brahma. The primary aim was to provide an opportunity to the economically weak and underprivileged people of this region. The College has been rendering valuable service to the cause of imparting higher education in Udalguri area for the last 41 years. During its journey, it has created opportunities for the youths, giving them a sense of purpose and direction in the pursuit of their dreams. Started as an Arts college in 1979, the College has now grown into a full-fledged two streamed college with Arts and Science, and Honours courses in almost all the subjects offered. As the only higher educational institution in this semi-urban area, it is committed to fulfilling the hopes and aspirations of the people. The College makes strenuous efforts to nurture the students into nationally conscious citizens who can lead a life based on sympathetic cooperation with their fellow beings. One of the main objectives is to make the students cope with technological demands of a fast-developing country like ours. The institution also seeks to transform itself into an information hub for the people who found it difficult to access information technology. It is through an effective translation of its curricular aspects into meaningful teaching learning activities that it strives to achieve its intended goals.

Although the institution was established by a few far-sighted people of Udalguri, it enjoys public support in all its ventures and enterprises. The campus of the College is eco-friendly and free from the din and bustle of the city, and this provides ample scope to maintain a sound academic environment.

Objectives of the College:

- Foster the composite culture of the region, state as well as the nation at large and establish such departments as may be required for the study and development of the languages, Social Sciences, Science and technology
- Promote in the students and teachers an awareness and understanding of the social needs of the country and prepare them for fulfilling such needs.
- Encourage and facilitate research.
- Contribute towards nation building by developing the human resources of this underdeveloped area to come at par with national and global standards of knowledge and professionalism.

Mission

- Foster the composite culture of the region, state as well as the nation at large and establish such departments as may be required for the study and development of the languages, Social Sciences, Science and technology
- Promote in the students and teachers an awareness and understanding of the social needs of the country and prepare them for fulfilling such needs.
- Encourage and facilitate research.
- Contribute towards nation building by developing the human resources of this underdeveloped area to come at par with national and global standards of knowledge and professionalism.

Vision

The institution seeks to transform itself into an information hub for the people who found it difficult to access information technology.

Accreditation: In the third Cycle of Assessment, NAAC awarded Grade B to Udalguri college in the year 2024. Earlier the first NAAC assessment cycle was done in 2004 in which the college was awarded C++. Subsequently, in 2014 the institute completed the 2nd Cycle of assessment and was awarded B.
